

As part of our **Bright Start** program, Neighborhood Health Plan of Rhode Island (NHPRI) offers free classes for enrolled members.

If you are pregnant, you can go to any of the following classes **AT NO COST TO YOU:**

- EARLY PREGNANCY
- CHILDBIRTH CLASSES
- BREASTFEEDING CLASSES
- NEWBORN CLASSES
- MULTIPLES CHILDBIRTH SERIES

(Some classes may only be offered at certain clinics)

To register for a class, choose a location below that is convenient for you and call the phone number listed. Please call early, as space is usually limited. When you call to register, let the person know that you are an NHPRI member, so that you will not be charged for the class. You will either be asked to provide your insurance ID number over the phone or will be instructed to bring it to class.
